

Cognitive Systems Privacy Policy

We have posted this privacy policy to let you know what kind of Personal Information we collect through our website and mobile applications, how it is handled and with whom it may be shared. As we continue to develop our website and mobile applications and take advantage of technologies to improve the services we offer, this policy will likely change. We encourage you to refer to this policy on an ongoing basis, so that you understand our current privacy policy.

Personal Information

“Personal Information” refers to information that specifically identifies you or that can be used with other available information to identify you. We collect Personal Information on the site and from within mobile apps only when you choose to provide it to us, such as when you request more information on our products and services, post a comment on our blog or send us a comment by email. We only use your Personal Information to respond to your communication or provide the information, product or service you requested. We may share your Personal Information to assist us in connection with one of those purposes, but we do not sell, trade, or rent your Personal Information to others.

Cookies

Cookies can be used by a website to recognize you. Cognitive Systems allows cookies to be placed by third parties on our site. Those cookies are used for a variety of purposes, including to tailor aspects of the website to your browsing history or location or to serve ads that may be of interest to you. You may configure your web browser to not accept cookies or to notify you if a cookie is sent to you; if you decline cookies you may not be able to use all the functionality of our website.

Online Tracking

We do not change our practices in response to web browser “do not track” signals or other mechanisms that provide consumers the ability to exercise choice regarding the collection of personal information about an individual consumer’s online activities over time and across third-party websites or online services.

Children’s Privacy

Our website and our mobile apps are not directed at children under the age of 13. We do not knowingly collect or maintain information from persons under the age of 13.

Email Subscriptions

We will not send you unsolicited emails as a result of your visit to our site. If you have subscribed to one of our email services, you may unsubscribe by following the instructions which are included in e-mail that you receive.

Links

This site and our mobile apps may contain links to other websites. Please note that when you click on one of these links, you are entering another site. We encourage you to read the privacy statements of these linked sites as their privacy policy may differ from ours.
